

SecureDocOne - Plus functionality, available February 10, 2010, is an upgrade option available to existing SecureDocOne subscribers as well as new subscribing dealers. Along with existing SecureDocOne functionality, SecureDocOne - Plus allows you to upload and archive your own PDF documents *and* archive your eContracting documents (provided you are an eContracting subscribed dealership).

Existing SecureDocOne subscribers may easily “upgrade” to SecureDocOne - Plus service by either selecting the ‘Upgrade Now!’ button or the ‘Edit Information link’ in the Premium Services section within the ‘Admin’ tab:

RouteOne SecureDocOne - Standard Service [Edit Information](#)

RouteOne SecureDocOne automates the electronic storage of all credit documents originated in the RouteOne system, providing support for one of a dealership's major compliance obligations. RouteOne SecureDocOne also provides for easy retrieval, management and distribution of your electronically stored documents from within RouteOne. Access and distribution functionalities are controlled with flexible user permissions. Key functions include:

- Automated electronic transmission of all RouteOne originated credit documents
- Access to history (Audit Trail) that shows the complete history of the document
- Addition of notes to any document
- Hard copy printing capability

When paired with RouteOne's subscription-based IDOne (Verification and Authentication) and complimentary Adverse Action tool, your dealership can enjoy support in the F&I Office from the only tool that can support compliance for all of your captive (FMCC, GMAC, TFS) and independent finance source credit application business.

At any time, your dealership system administrator (DSA) may subscribe for a one time set up fee of \$350 and a low rate of \$99/month for the first five years (with options for additional storage beyond five years at \$179 per month or archival to DVD at a price of \$250 for each year of documents. More information is available at 866-933-0663 or by contacting salesupport@routeone.com.
